We can provide advice to workers on the effect of a redundancy payment on their eligibility for Centrelink payments and any impacts on child support obligations.

A special support line has been established to provide assistance:

Opening Hours: 8:00 am – 5:00 pm Monday to Friday

**DEPARTMENT OF EDUCATION, EMPLOYMENT AND WORKPLACE RELATIONS**

See Centrelink for the BlueScope Hotline. The local DEEWR contacts are the Local Employment Coordinator (Jane Robinson, 0421 988 670) and the Employment Project Officer (John Morris, 0423 609 755).

Jane, John and DEEWR colleagues are available at the Jobs Market to provide information on the Structural Adjustment Package and the Job Services Australia organisations that are the gateway to assistance under the Package. They can also discuss the Departments other programs such as support for Indigenous employment.

The Department's web site ([www.deewr.gov.au](http://www.deewr.gov.au)) contains a wide range of useful information on programs, labour market trends, assistance to mature age persons (See the Experience Plus Program), etc.
